When: January 8, 2011, from 4:00pm -- 7:00pm

Why: Kick off our God's Work Children's Clothing Pantry (a community service created by the children)

Donations of gently used children's clothing or cash accepted. If your child has outgrown their clothes, but still in good condition, please come and exchange them for a larger size, beginning February 12, 2011, 2:00-4:00pm. If you don't have any to exchange, please come and pick out something for your children.

The children of our congregation want to help other children who don't have nice clothes. They know that by helping others they are doing God's work.
